Scoring Key:

Mark Perceptions above diagonal line.
Mark score below diagonal line.

For 2 Players:

Analyst earns 2 points for matching respondent with 1st Perception and/or 1 point for matching Respondent with 2nd Perception. This score is entered in "Perceptions of" your opponent.

For 3-8 Players:

Respondent earns 2 points for each match. This score is entered in "Openness" row. Analysts earn 2 points for matching Respondent and 1 point for every match of another's perception of the Respondent. This score is entered under "Perception of" the respective player's name.
