

INSTRUCTIONS FOR TOWER ASSEMBLY

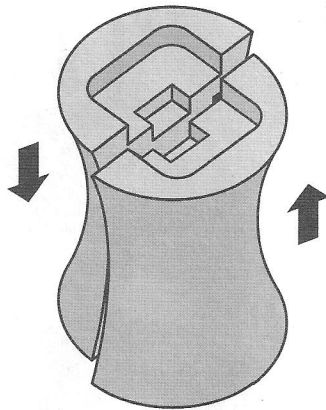

Step 1 Place game board over tower base. The tray should turn freely.

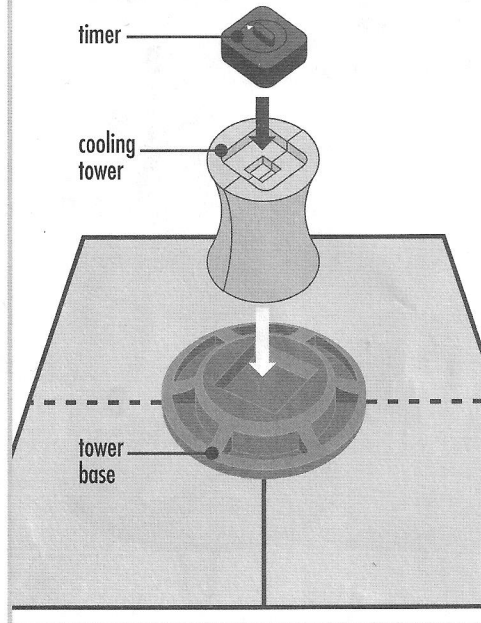

Step 2 Identify the two halves of the cooling tower.

Step 3 Insert the half with the tabs into the half with the slots and slide together.

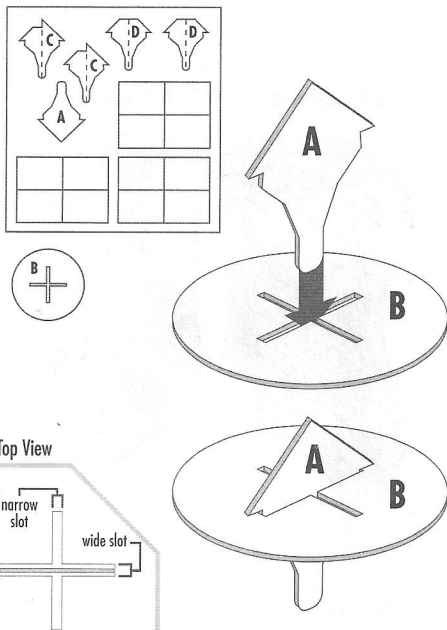

Step 4 Place the cooling tower on the tower base and the timer on top of the cooling tower.

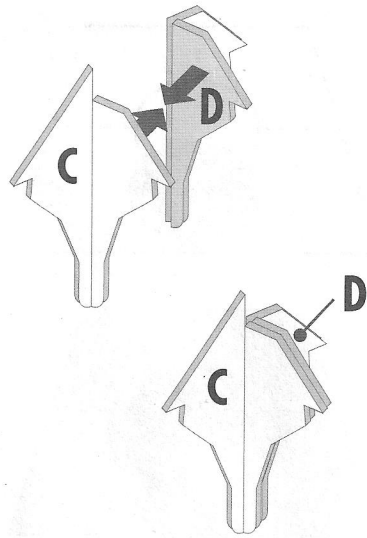

INSTRUCTIONS FOR SPINNING TOP ASSEMBLY

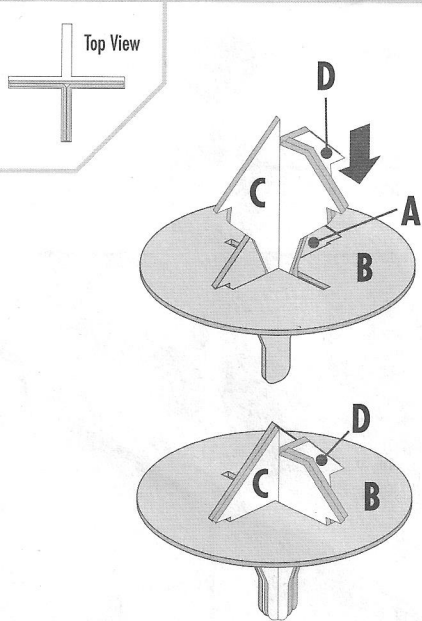

Step 1 Punch out pieces as needed. Slide piece (A) into the wide slot of piece (B).

Step 2 Fold piece (C) and piece (D) at 90° and place together.

Step 3 Slide pieces (C) and (D) into piece (B) in front of piece (A).

Step 4 Repeat Step 2. Slide pieces (C) and (D) into piece (B) in back of piece (A).
