

DICE CHART

Remember to read the white (action) die first, then the colored (source) die!

		DRAW ONE/EVIL MUTANT: Draw the top Evil Mutant card from the deck and place it face up with the other Evil Mutants on the loose.
		DRAW TWO/EVIL MUTANT: Draw the top two Evil Mutant cards from the deck and place them face up with the other Evil Mutants on the loose.
		SWAP/EVIL MUTANT: Swap one of your captured Evil Mutants for any other player's captured Evil Mutant.
		X-SYMBOL/EVIL MUTANT: Draw the top Evil Mutant from the deck. Congratulations! You have single-handedly captured that Mutant. Place one X-Men card from your hand on top of that Evil Mutant card.
		DRAW ONE/ALL: All players hold their cards so you cannot see what they have. Starting with the player on your left, take one card from each player's hand.
		DRAW TWO/ALL: All players hold their cards so you cannot see what they have. Starting with the player on your left, draw two cards from each player's hand.
		SWAP/ALL: Starting with the player on your left, swap 1, 2 or 3 of your cards with each player.
		X-SYMBOL/ALL: Starting with the player on your left, ask each player if they have the X-Men that you want. Players must give you <u>all</u> the cards they have of that X-Men. You are not allowed to ask for Professor X or the X-Mansion.
